Experience

Product Photographer

Adamas Jewelry / Dublin

2023- Present

- I was asked to take photos of the rings and necklaces that they were selling and make them look up to a professional standard.
- Using Photoshop to cut out the jewelry to make sure there were no unnecessary shadows for the pieces.

Video Editor

New World Digital / Dublin

2023 - Present

- Taking videos that I was given that were sometimes up to 10 minutes and making them down to 30s or 1 minute long for Promo videos for the courses.
- Look at social media and analyze what type of edit would work best for the videos I reviewed
- Making sure that the videos were up to scratch before I even start editing the videos.

College assignments

SETU / Carlow

2020 - 2024

- As part of the course, I had to make sure that the videos were good quality take part in the creation of the videos.
- I had to edit the videos and make sure that the soundscape was good for what we wanted.
